PACKERS WHIP CARDINALS, SCORE 14 TO 0

GAME RECAP (GREEN BAY PRESS-GAZETTE)

(GREEN BAY) - It is too early to begin talking about another National league football pennant for Green Bay Packers but it is going to be hard to convince approximately 8,000 fans who saw the Green Bay eleven turn back the Chicago Cardinals in the opening league game of the season at the City stadium here Sunday, 14 to 0, that the 1929 champions are not going to be near or on top again this year. It may have been that the Packers were inspired at seeing the 1929 championship pennant raised on their flag pole before the game as they went out and put on one of the best exhibitions ever seen here this early in the season. Cleverly mixing forward pass plays with line bucks and end runs the Packers outplayed the invaders in the last three quarters of the game. Good blocking and alertness in following the ball were outstanding factors in their conquest. They had trouble solving Cardinal double and triple pass plays in the opening quarter but once they began breaking up the invaders' formations, it did not take them long to begin getting the upper hand and from the time they scored the first touchdown in the second period until the end of the game, the outcome was in little doubt.

OVERHEAD GAME GOOD

The Cardinals presented a better battle front than they had last year but the Packers also looked stronger than in 1929 and therein lies the story. The overhead game of the Packers worked smoother than it did last Sunday and uncovered one of Green Bay's own youths, Arnold Herber, as a passer who can rank with most of the ball heavers in the circuit. The former West high star was on the throwing end of several passes, including one long heave that went into the arms of Lavvie Dilweg and accounted for Green Bay's second touchdown. Defensively, the work of the Green Bay team left little to be desired. Michalske, as usual, knifed his way into the opposing blockers to get the man with the ball time after time while Hubbard, Hanny, Bowdoin and Darling also played great football. Johnny Blood again smashed his way into hearts of fans by marvelous runs around ends and through the line while Lewellen and Molenda played great football as his running mates. The blocking of all the backs who saw action was fine.

USE DOUBLE PASS

Working double and triple pass plays together with cutback slashes off tackle and around the ends, the Cardinals began the game as if they were going to romp down for a touchdown. Mickey McDonald, one of the smallest men in professional football but also one of the slipperiest, and Flenniken alternated in taking the ball and went into Packer territory before the home team began to solve the plays. Bullet Baker, a former Packer player, gave fine interference to his teammates and helped in the advance. The Cardinals fumbled on two occasions in the first period when it looked like they were to get the upper hand. Lewellen recovering the first fumble and Nash falling on the ball the second time it was mishandled. After an exchange of punts, Molenda intercepted a Cardinal pass and ran it back to the Packer 40 yard line. Blood got off to a great smash over right tackle, picking up nine yards. Lewellen then dashed around right end with some good interference and carried the ball 20 yards before he was downed. Lew then picked

up eight yards through the line and Molenda contributed a center smash to put the ball on the Cardinal 12 yard line as the first quarter ended. On the first play of the second period, Dunn picked up two yards at center. On the second play, Lewellen dashed around right end, evading and pivoting away from three Cardinal men to slide over the goal for the touchdown. Dunn kicked the ball squarely between the uprights for the extra point, giving the Packers a 7 to 0 advantage. The Packers worked the ball down to the Cardinal 29 yard line later in the period but an intercepted pass halted the advance and the invaders punted out of danger. A pass from Dunn to Blood, bringing the ball to the Cardinal 35 yard line, was completed just as the half ended.

DILWEG GOES OVER

Soon after the start of the second half, the Packers again went deep into Cardinal territory through some good runs by Blood and a poor punt by Boyd of the Cardinals. A pass over the goal line that just missed by Blood, however, gave the ball to the Cardinals on the 20 yard line. The Cardinals then punted out to Herber who brought the ball to midfield before he was downed. On the first play after the kick, Herber dropped back to his own 43 yard line and heaved a 35 yard pass to Dilweg who grabbed it out of the air although he appeared to be covered, evaded one man by sidestepping and dashed over the goal line for the second touchdown of the game. Molenda placekicked for the extra point, giving the Packers a 14 to 0 advantage. A Cardinal fumble soon after the start of the fourth quarter that was recovered by Darling on the Cardinal 28 yard line again put the Packers in scoring position. A pass failed and Molenda dropped back for a placekick. The ball was high enough but wide of the goal posts. The Cardinals were beyond the Packer line only once the entire game and that one minute before the contest ended when Rooney took a long pass from Nevers and went to the 18 yard line before he was tackled by Blood. Another pass was incomplete as the game ended.

TICKETS AVAILABLE

"There is nothing to the rumor that we are sold out for Sunday's Bear game," stated President L. H. Joannes of the Green Bay Football corporation. "The reservations in the big stands are pretty well cleaned out but we are numbering every bleacher seat in the park and these have hardly been touched as yet.

"Our two new \$1.25 seat sections will each house 536 spectators while the park benches will take care of another 500. As a matter of fact we will still have nearly as many tickets on hand as we have sold and we expect to be able to provide a seat for every spectator at the game Sunday."

Cardinal owner, was disappointed over the reversal. After the game he remarked that he and the team came up here with intentions of winning by at least two touchdowns. He said that the Packers looked even better this year than they did last season...Howard Maple, all-American quarterback with the Cardinals this year, did not see action as he was suffering a wrenched back, sustained in the game at Sturgis last Sunday...Although Ernie Nevers played nearly half the game, he also should have remained out, according to Dr. Jones. Nevers wrenched his hip last Sunday and could hardly lift his left leg...Herber got off the longest punt of the game in the third period, when he booted the ball from his own 30-yard line across the Cardinal goal, a distance of about 70 yards.

ENLARGE PACKERS' STANDS FOR BEAR GAME

SEPT 23 (Green Bay) - The Green Bay Football Corporation started preparations for the game with the Chicago Bears here Sunday by starting construction yesterday of permanent bleachers at the City Stadium, which will house another 1,000 spectators. These new stands will be set up on the north side of the field directly opposite sections J and K, which were added to the south side grandstand. The portable bleachers, now occupying the space where the permanent stands will be set up, have been moved to the two vacant spots at the northwest and northeast corners of the playing field, thus completing the

football bowl...RECORD BREAKING DEMAND: Never before in Packer football history has there been such a demand for tickets, according to E.A. Spachmann, who has functioned with the Corporation since 1920 as the director of the ticket sales. The Packers' central ticket office is taking care of the mail and telephone orders as fast as possible and furnishing more blocks of tickets to various places about town that handle Packer reservations. At Sunday's game every seat in the park will be reserved. This plan was followed for the 1929 Bear game and it proved most satisfactory as every ticket holder had the coupon assuring him of a seat. The bleacher reserved seats will be on sale Wednesday at the ticket office in the Columbus club...MORE USHERS, GATEMEN: Additional ushers and gatemen will be drafted for service. The Legion police force is to be increased and every available city patrolman is to be on duty at the park under the supervision of Lyle Trotter. A half-dozen lusty-lunged youths equipped with megaphones will help handle the crowd inside the park by calling attention to locations of the various seating sections, which run through the whole alphabet, from A to Z...STATEMENT BY JOANNES: President L.H. Joannes of the Football corporation issued this statement regarding the enlargement of City stadium's seating capacity: "In an effort to provide every spectator with a seat, the Green Bay Football corporation started construction on 1,000 additional bleacher seats at the City stadium Monday afternoon. We have the assurance of Marcel Lambeau, contractor, that the new seats will be ready for occupancy at the Chicago Bear this Sunday. The new sections will be set up at the east and west ends of the grandstand on the north side of the field. The seats will run up 14 tiers and will be patterned along the lines of the main grandstands. Tickets for these new stands are to be priced at \$1.25...WILL MOVE BLEACHERS: "In order to make room for the additional sections, we will move the portable bleachers to the northwest and northeast corners of the park and thus complete the bowl with every inch of space around the gridiron being used. So far this fall, the Football Corporation has spent nearly \$6,000 on improvements at the City Stadium but we are willing to go to the limit to give Green Bay the best possible football plant and, from the attendance to date, it shows that the efforts are appreciated by thousands that witness the Packers' games.

BEARS PREPARE FOR TILT WITH PACKER ELEVEN

SEPT 24 (Chicago) - After playing a tie game with the Brooklyn Dodgers of the National league, the Chicago Bears resumed their all-day practice sessions Tuesday in preparation for the game at Green Bay Sunday with the Packers, 1929 champions. Not since 1927 have the Bears won a game against the Packers. That year the Green Bay club was whipped twice. In 1928, the teams played a tie game at Green Bay, 12-12. Then the Packer came here twice and chalked up victories by the scores of 16-6 and 6-0. Last fall, Green Bay didn't have much trouble with the Bears and tucked away three contests...TIME FOR WORM TO TURN: George Halas and Ed Sternaman, Bear owners, have spared no expense in rounding up a ball club, which on paper, looks as good as any in the National league. The Bears have been housecleaned thoroughly and Ralph Jones, former Lake Forest college coach, is in complete charge of the team on the playing field. Jones has a collegiate reputation for producing

winners and his experiment in the postgraduate brand of football is being watched with considerable interest throughout the country. For three weeks, the Bears' squad of 30 players has been working out five hours daily at the Mills stadium. Lunch has been served on the practice field...MANY NEW MEN: Fourteen members of the 1929 team are in uniform again. They are: Sternaman, Walquist, Elness, Lyman, Murry, Carlson, Johnsos, Red Grange, Gardie Grange, Senn, Holmer, Pearson, Fleckenstein and Trafton. The new material includes Nesbitt of Drake, Scheutte of Wisconsin, Brumbaugh of Florida, Lintzenich of St. Louis, Pauly of W. and J., Nagurski of Minnesota, Frump of Ohio Wesleyan, Blackman of Tulsa, McMullen of Nebraska, Drury of St. Louis, Steinbach of St. Thomas and Franklin of Franklin. Outstanding among the recruits is Bronko Nagurski of Minnesota, all-American. This husky Gopher was sought by a half dozen National league clubs but the Bears got him. For three years Nagurski was a terror in the Western conference playing at either fullback or tackle. Dick Nesbitt of Drake is another startling youngster. Last fall when Notre Dame played Drake at Soldiers' field in Chicago, Nesbitt was an outstanding star. He is a triple threat artist besides being a ten second man. Several sportswriters placed the Drake product on all-Western teams...CALLED 'KICKING FOOL': Lintzenich of St. Louis has often been termed as the "kicking fool". While at college he averaged over 50 yards on a punt and in his senior year he was credited with 16 points after touchdown and five field goals. Lintzenich is a 185-pounder. One of his specialties is line smashing. He plays either half or fullback. From Florida comes Brumbaugh, a slick working quarterback who looks as if he was going to make a name for himself in postgraduate football. Of the new linemen, Pauly from W. and J. looks ever promising despite the fact that he carries around 270 pounds. Pauly is fast on his feet and in the Brooklyn game he sifted through frequently to down the ball carrier before he got started.

CITY TO SEND RECORD CROWD TO BEAR GAME

SEPT 24 (Manitowoc) - Lured by the fact that a Manitowoc boy, Paul "Ole" Schuette will be a member of the Chicago Bears when they meet the Packers at Green Bay on Sunday, this city will probably send the largest delegation of football fans to the Bay Sunday that has attended any single game. This office had been besieged with requests asking information on how tickets for the game can be secured. This morning it was announced by the J.J. Stangel Co. that they would receive a block of tickets for the Bear-Packer game Sunday at their store this afternoon and that fans here could procure them by calling at the store. Meanwhile from up in Green Bay come word that a crew of carpenters are at work erecting 1,000 additional seats at the City Stadium there, which will give accommodations for at least 13,000 fans at the Sunday tilt. The new stands are going up on the north side of the field and the portable bleachers will be moved away and placed back of the goal posts. At Sunday's game every seat in the park will be reserved. This plan was followed for the 1929 Bear game and it proved most satisfactory as every ticket holder had the coupon assuring him of a seat. Additional ushers and gatemen will be drafted for service. The Legion police force is to be increased and every available city patrolman is to be on duty at the park.

*Packers and Bears Have
Each Won 7 Games; 3 Tied*

PACKERS AND BEARS HAVE EACH WON 7 GAMES; 3 TIED

SEPT 25 (Green Bay Press-Gazette) - The Packers and Chicago Bears, who have met in football contests for the past nine years, Sunday will clash in a "rubber" contest as the teams have played 17 games, each scoring seven victories. Three tie encounters also are on the books. In the first engagement, the Bears, then known as the Staleys, whipped the Packers, 20 to 0. A few hours before game time, several of the Green Bay players found it impossible to compete for reasons best known to themselves. Jab Murray, now mayor of Marinette, starred for the Bays in this game. Chick Harley played in the Staleys' backfield. There was no engagement in 1922 but the following year saw the Bears nose out the Packers, 3 to 0, on the old Bellevue park gridiron. Myrt Basing fumbled a Chicago punt and Joie Sternaman made the best of the opportunity with a field goal...BAYS WIN IN 1924: In 1924, the Packers chalked up their first victory over this Chicago club. Cub Buck came through with a placekick and Trafton gave the Bays the other two by a bad pass from center which ended in a safety. Later this same season, the Packers invaded Cubs park and were nosed out, 3 to 0, after Dutch Hendrian fumbled a punt. Joie Sternaman again booted a field goal. The 1925 game here was a thriller. The Bays came from behind in the closing minutes

when Lewellen connected on an old touchdown play, getting a pass from Charlie Mathys in the end zone. In the return engagement at Chicago that year, Green Bay took it on the chin, 21 to 0. The Bruins were inspired by the presence of Red Grange on the bench. The famous redhead had just signed a contract. Three contests were staged in 1926. The game here resulted in a draw while the game at Cubs park went to the Bears, 19 to 13, after a thrilling combat. The teams met again at Soldiers' field in a Christmas fund benefit attraction and it was a 3 to 3 tie. Pid Purdy dropkicked a 50-yard field goal in this battle for Green Bay's score...LOSE IN 1927: In 1927, the Bays met defeat twice at the hands of the Bears. The home game was lost, 7 to 6, with the same Pid Purdy this time in the goat's role. At Chicago, the Bears triumphed, 14 to 6, and fans still remember how the Bruins pulled Lewellen back after he had crossed the goal line. However, that was the last game won by the Bears from Green Bay. The first game of the 1928 series here was exciting. The Bears had a 12-0 lead at halftime but the Packers came back in the closing period and tied the count. With but a minute to go, Harry O'Boyle tried for a field goal and it was so close that it could be called either way but the officials ruled it outside. The Packers played twice in Chicago that same season and copped 16 to 6 and 6 to 0. Dick O'Donnell was the hero of the closing encounter when he snagged a pass and galloped for the only score of the battle. It was three straight for the Packers last fall. The Bears came here and were smeared, 23 to 0. Then the Packers invaded Chicago to bring home a 14 to 0 win and followed this up with a 25 to 0 victory after a successful eastern journey, that brought the National league championship.

PACKERS IN STIFF WORKOUTS FOR BEARS

SEPT 26 (Green Bay) - The national champion Packers have been going through intensive training this week for their battle with the Chicago Bears Sunday. Since 1927 the Packers have won five and tied one game with the Bears but they are not overconfident of victory because of their past record. Chicago has added more than a dozen new stars, including Nagurski, Minnesota All-American, to their 14 regulars of the 1929 team and will provide considerable competition for the Packers.

NAVY RESERVE, POLICE AND LEGION WILL HELP HANDLE CROWD AT STADIUM SUNDAY

SEPT 28 (Green Bay Press-Gazette) - Some thirty sailors from the Navy reserve under the direction of F.N. Wassenberg; an American Legion detail of 40 guard, headed by Tubby Bero and Eli Wood, and a detail of 12 city policemen supervised by Lyle Trotter will be on hand Sunday afternoon to handle the 12,000 or more spectators who are expected to attend the NFL game between the Chicago Bears and Green Bay Packers at the City stadium. Gates at the park will be open at 12:15 and all the ushers, ticket takers and park men must check in promptly at noon. For several weeks, the Football corporation executives have been preparing for a capacity crowd at the Bear game and everything done to avoid confusion. Spectators will save time getting to their seats by noting the direction signs which will be posted inside the stadium. Each section will be plainly lettered and megaphone announcers will call attention to the different blocks of seats. Briefly this is the complete layout: Sections A, B, C, D are the big stands on the north side. They are flanked by by Sections O and P, which have been built this week. Bleacher sections X,Y and Z are also on the north side of the field. Holders of seats in these sections should go to the left when entering the park. At the east end of the park, bleacher sections S, R and V are located together with bench seats marked "East". The west end of the field is occupied by bleacher sections Q and M along with the "West" bleachers. On the south or right hand side of the park are sections J,E, F, G, H and K in the big stands together with bleacher sections U and T at the west and east ends, respectively. Section L of the bench seats is located in front of the big stands on the north side while bench seat section W is on the south side back of the Packers' bench.

VON TO REFEREE

SEPT 26 (Columbus, OH) - Art Von of Duluth, Minn., has been assigned by President Joe F. Carr of the NFL to referee the Chicago Bear-Packer game at Green Bay Sunday. Ed Shave, St. Paul, is to umpire while Earl Wyman, Oshkosh, will be the head linesman.

PACKERS SEEK SECOND WIN IN PRO GRID LOOP

SEPT 27 (Green Bay) - The Packers will attempt to leap their second barrier in the NFL pennant chase here Sunday afternoon when they tackle their ancient enemies, the Chicago Bears, at the City Stadium. The fracas will start promptly at 2 p.m. and Art Von of Duluth will be tooting the referee's whistle. Ever since 1921 have the Packers and Bears been battling on the gridiron and the appearance of the Windy City Bruins here has always brought out the largest crowds of the season. This year it is the same old story - tickets have been selling like hot cakes all week - but the Packer management has met the demand by constructing another thousand seats. Every seat in the park will be reserved for this game as well as the New York Giants and the Philadelphia Yellowjackets on the following Sundays. The Bears are coming here with a revamped battle front although many of the stars of other years are still in togs. Bronko Nagurski of Minnesota, Dick Nesbett of Drake and Joe Lintenzich of St. Louis U who is rightfully termed the "kicking fool" are among the newcomers. Red Grange is still playing halfback for the Bears while Joey Sternaman is doing his stuff at quarterback. The batting pair, Trafton and Fleckenstein, are back on the job in the line while Luke Johnson is again holding down a wing berth. The Bears are a collegiate machine this season as Ralph Jones, former Lake Forest gridiron mentor, is directing the team on the field while George Halas and Dutch Sternaman, the co-owners, busy themselves counting the ducats. Captain Lambeau has put his Packer squad through an extensive week of practice. The team came out of the Cardinal

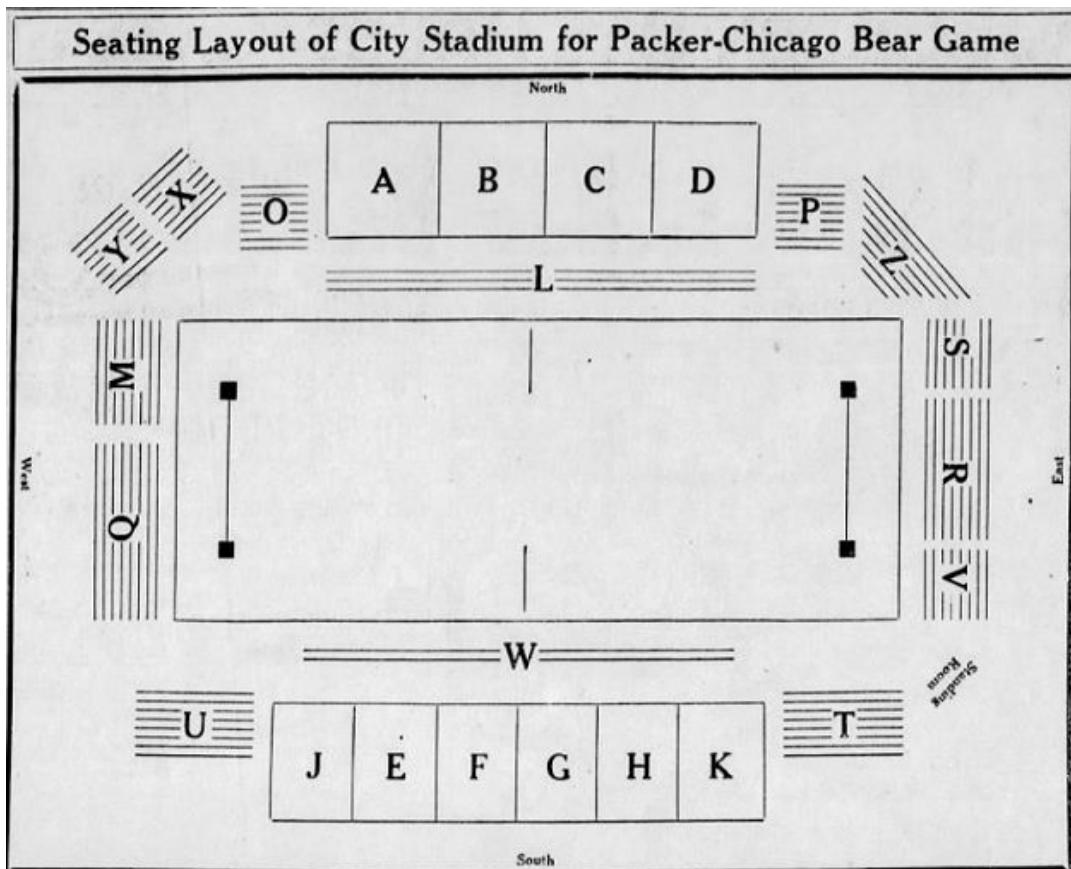

game in pretty fair shape and the Green Bay leader will be able to put his full strength on the field against the aggressive Chicagoans. Mike Michalske busted one of his digits while throwing Ernie Nevers for a loss last week by the super guard wants it known that he would play against the Bears even if it had to be on crutches.

PACKERS AND BEARS BATTLE HERE SUNDAY

SEPT 27 (Green Bay Press-Gazette) - The Chicago Bears are playing the Green Bay Packers at the City stadium tomorrow afternoon and from all indication there will be another battle such as only these two teams can put up when they meet on a

gridiron. Trimmed by the Packers in three games last year, the Bears are coming here with a rejuvenated team, ready to avenge all the setbacks. Coach Ralph Jones, former Lake Forest mentor, has injected considerable new blood and a real fighting spirit into the squad and there is certain to be a lot of action. Fourteen of last year's veteran are still with the team, together with such new men as Bronko Nagurski, all-American tackle and fullback from Minnesota, Joe Lintzenich, St. Louis university quarterback; Paul Schuette, former Wisconsin guard, and Heavy Pauly, W. and J. guard, who weighs 270 pounds...GRANGE ON SQUAD: There is nothing wrong with the 1929 men who still are on the team. Most of them can hold their own in the National league. The all-famous Red Grange is back again and better than ever, together with such men as Walter Holmer, Northwestern halfback; Trafton, colorful center and veteran of many football wars; Bill Senn; Carlson Johnsos, Garland Grange and others. The Bear line is one of the few in the country that outweighs the Green Bay Packer front wall. Every man on the line, with the exception of the ends, weighs well over 200 pounds. Coach Jones has been grooming the squad in quick pass plays and tricky formations that send ball carriers off tackle and between the guards and tackles according to word received from Chicago and it is likely that he will use this type of play against the Packers. If he does, the Bears probably will have trouble as the Packer style of football is built to stop smashing plays of this type. Capt. E.L. Lambeau is somewhat worried over the outcome as he realizes that the Bears will be fighting every minute to upset the National league champions. They have been pointing for this game ever since practice began several weeks ago and will be out for blood...USE HEAVY LINE: While no starting lineup has been announced, the Packer coach probably will use his heaviest linemen and the biggest backfield men. All of the men are in shape to play with the possible exception of Lidberg, who is still bothered with a wrenched ankle sustained in the opening game of the year. Lidberg will be able to play at least part of the time if needed, but the coach plans to keep him out of action if possible as he wants to have the injured member healed completely before he puts it to a strain. Darling, who sustained a blood clot in his hip, has recovered and will be ready for service again. Michalske broke his little finger against the Cardinals, but also will be able to play Sunday. A capacity crowd is expected to be on hand for the battle that starts promptly at 2 o'clock. The Legion band will play between halves and before the game. All seats have been reserved, and, while the demand has been great, there are some seats still available it was announced at noon today. The game will be broadcast over WTMJ, Milwaukee radio station, direct from the field, in a program sponsored by the Wadham Oil company. The company plans to broadcast all Packer games at home and on foreign field this year. WHBY, St. Norbert's college, De Pere station, also will broadcast the game.

CHICAGO BEARS PIN HOPES ON THIS TRIO

JOE LINTZENICH

COACH RALPH JONES

"BRONKO" NAGURSKI

This trio of newcomers is expected to put the Chicago Bears back in the first division of the National Football league. When George Halas and Ed. Sternaman, co-owners of the Bruins, decided to house clean, their first move was to hire a coach and Ralph Jones was secured. He is a member of that great Jones family of gridiron mentors and resigned as athletic di-

rector at Lake Forest college to take charge of the Bears.

When Jones assumed the reins, he told the Bear owners that he wanted a fighting aggressive tackle and a back who could punt 60 yards on the average. So Halas and Sternaman outbid seven other National league clubs for "Bronko" Nagurski, Minnesota tackle, who was named on nearly every all-American selection in 1929.

Sixty-yard punters are few and far between but the Bears made Joe Lintzenich from St. Louis "U" such an attractive offer to play football that he turned down a position with a Mound City brokerage concern. In the opening game against Brooklyn, last Sunday, Lintzenich got off a couple of sky scrapers that sailed through the air for seventy yards each.

CROWD CHEERS AS PACKERS' CHAMPIONSHIP PENNANT IS RAISED

While 8,000 spectators stood at attention, the national colors and the 1935 championship pennant were hoisted at the city stadium yesterday. At the top, right, Mayor John V. Diener is shown at the " mike" expressing Green Bay's appreciation of the honor brought to it by the Packers. Below, Dr. D. J. Jones, manager of the Chicago Cardinals, is voicing the greetings of the National league officers. Others in the group are Ieland Joennes, president of the Green Bay Football corporation, Dr. W. W. Kelly, and A. B. Turnbull.

PLAY BY PLAY

FIRST QUARTER

Michalske kicked off to Finniken, who made a nice 15-yard return to his own 36-yard line. On a double pass reverse play, McDonald went around right end for 6 yards and then tried the same play for a gain of 3 yards at left end. Finninken smashed over right guard for a 1-yard gain and McDonald made 1 yard at right guard and Belden got off a punt which bounded and rolled out at bounds on the Packers' 16-yard line. Lewellen made 2 yards off left tackle and then got off a 60-yard punt which Belden fumbled when tackled by Radick and Lewellen recovered on Cards' 41-yard line. Lewellen was thrown for a 2-yard loss when Kiebling broke through and spilled him. Lewellen tried a pass to Englemann over the center of the line which the latter tried to get, the ball just grazing his finger tips. Another pass by the same combination was also incomplete and resulted in a 5-yard penalty for the Packers. Lewellen tried a punt which was partially blocked by one of his own men and the ball went to the Cards on their own 41-yard line. Baker carried the ball but fumbled and Nash recovered for the Packers on the Cards' 42-yard line. Englemann made 3 yards at right end before going out of bounds. Lewellen made 1 yard at right tackle before Kiebling downed him. On an attempted pass play both sides were offside. On the next play the same thing happened when Molenda tried to carry the ball. Pass, Lewellen to Englemann, was completed for a 20-yard gain but the Packers were offside and took a 5-yard penalty as a result. Lewellen tried a pass which Baker intercepted, but Radick downed him before he could advance a step. Finninken made 7 yards at right guard and McDonald added 3 at right tackle for a first down. McDonald made 9 yards at right end. Belden made 2 yards at right end and McDonald went between left tackle and end for 5 yards.
