

Preseason: Green Bay Packers 46, Oshkosh All-Stars 0 Sunday September 14th 1930 (at Green Bay)

PACKERS OPEN SEASON WITH 46-0 VICTORY

GAME RECAP (GREEN BAY PRESS-GAZETTE)

(GREEN BAY) - The Oshkosh All-Stars may be a good football team, but it has a lot to learn about the brand of football played by the Green Bay Packers. In the opening professional football of the season at the City stadium Sunday, the Packers convincingly demonstrated that there is a world of difference between the play of National champions and independent professional squads, when they trounced Oshkosh by a core of 46 to 0 before approximately 5,000 fans. It was the same kind of a Packer team that trounced Oshkosh as won the National league title last year. A few members of the 1929 team were missing, but in their places were newcomers who soon earned the esteem of the crowd. Among those new men were a pair of Green Bay boys, former West High stars, who left a good impression. The youths were Kenneth Radick and Arnold Herber. Both saw considerable action and figured in several sensational plays. Then there was Dave Zuidmulder, former East High star, who also came into his own by grabbing a forward pass in the last quarter and racing 60 yards for a touchdown, to say nothing about Bloodgood, Englemann, Fitzgibbons, all halfbacks, and Hanny, Sleight and Zuver, linemen, who played their first football for Green Bay.

PLAY LIKE CHAMPIONS

Of the veteran performers, all played like champions should play it. Mike Michalske, that wonder guard, who always seems to be in the right place, Lavvie Dilweg, dean of all ends, Verne Lewellen, the galloping, kicking halfback, and Johnny Blood were particularly outstanding. You could down the list, mentioning every player on the squad and fans could remember at least one outstanding play in which each individual featured. Capt. E.L. Lambeau used every man on his squad and at no time did the team appear weak. His starting lineup contained practically all the new men and they soon marched down the field for a touchdown, using nothing but straight football and not once relying on passes for gains. Oshkosh was better able to cope with the Bay aerial game than they were with the smashing, hammering off tackle, spinners and around end plays. It was in this department of the game that the Packers showed up to best advantage, although their passing was such that it left no doubt in the minds of fans that with another week to polish the attack, it will be just as useful as it was last year when it led the Green Bay team to a title. Several Oshkosh men showed up to good advantage, crashing in occasionally to smear Green Bay plays and knock down forward passes, and now and then breaking through for short gains. Johnny Roach, former Notre Dame halfback, Ricatti, a halfback, Johnson, a former Appleton fullback, and Red Martin, Ripon flash, were the outstanding players from the Sawdust City team. At no time, however, was Oshkosh beyond the Packer 40-yard line and no real scoring threat was presented.

MOLENDIA GOES OVER

Taking the ball after the kickoff, Green Bay began a march in the first quarter that led to a touchdown. Line bucking plays that sent Englemann, Zuidmulder and Lidberg down the field brought the ball to the 30 yard line, Englemann then got off to a great end run behind fine interference, and carried the ball near the 10 yard line. A few more line bucking plays and Bo Molenda crashed over for a touchdown. The try for an extra point by a placekick went wide of the posts. A forward pass, Herber to Englemann, gave the Packers the ball on the enemy 45 yard line at the start of the second quarter. Capt. Lambeau then sent in a full new team and it brought the ball 12 yards nearer the goal on two plays. On the third play, Lewellen dropped back and heaved a pass to Tom Nash, who made a great leaping catch and ran along the sidelines across the goal. The referee ruled that Tom went out of bounds on the eight yard line, however, and brought the ball back to that spot. An off tackle smash with Lewellen carrying the ball picked up three yards, then McCrary smashed through the center of the line for a touchdown. The try for an extra point by a kick was wide and the score at the end of the first half was 12 to 0. Captain Lambeau again shifted his lineup at the start of the third period and Johnny Blood began to run wild, tearing off wide end runs for gains of 20 and 35 yards and taking a pair of forward passes out of the air to put the Packers in scoring positions.

BLOOD GETS AWAY

Blood's first long run brought the ball to the 40 yard line. Herber then passed to Johnny who ran to the 28 yard line. Another pass to Blood brought the ball to the Oshkosh six-yard line. Blood then picked up three more on an off-tackle play and Bo Molenda went over for a touchdown. Herber dropkicked for the extra point. A few minutes later, Blood again broke loose, and went around left end for a 35 yard gain before he was downed on the 14 yard line. Englemann then picked up nine yards at right tackle and Molenda added four more at right guard. On the third play, Englemann went over the center of the line

for the fourth touchdown. Herber was rushed and his kick for an extra point was wide. The Packers were in scoring position as the fourth period started due to some good runs and pass plays in which Blood and Fitzgibbons figured. Lewellen went into the game at the start of the quarter and on two tries carried the ball over from the five yard line. Dunn placekicked for the extra point. A few minutes later Dave Zuidmulder took a long pass from Johnny Blood, leaping high into the air to spear the ball and sped past three Oshkosh players to run 60 yards for a touchdown. Dunn again placekicked the extra point and the Packers had a 39 to 0 advantage. The final score of the game came a few minutes later after Lavvie Dilweg leaped into the air and speared a pass, carrying the ball to the 15 yard line before he was brought down. Lavvie evaded three men and was nearly clear for a touchdown before he was stopped by Draftz, former Oconto star. Draftz was knocked out tackling Lavvie. Molenda picked up three yards and then Bloodgood grabbed a fumble and sliced between the tackle and end for a seven yard gain and the final touchdown of the game. Molenda placekicked the extra point, making the score 46 to 0.

Packers Have Won Six; Lost Four, Tied Two With Cards

SIDELIGHTS

SEPT 15 (Green Bay Press-Gazette) - For those who favor statistics, it will be interesting to know that the Packers gained 280 yards from scrimmage while Oshkosh only gained 67 yards...The Packers completed eight forward passes and tried 18, for a total gain of 225 yards. Oshkosh gained 30 yard by completing two of 12 passes...The Packers made 20 first downs to four for the invaders and stayed about even on the exchange of punts. The Packers were penalized 40 yards to 25 for Oshkosh. Three Oshkosh passes were intercepted by Green Bay men while no Green Bay passes were intercepted by Oshkosh. Nash intercepted two passes and Lavvie Dilweg intercepted one...Pathe Newsreel cameramen were on hand to take sound pictures of the opening game. They will be shown in this part of the country within a week or ten days, according to the cameramen...The Legion band did its share in entertainment, playing several selections before the game and between quarters and during the half rest period...The Vita-Vox public address system was used again, giving a running account of the battle. Homer Collett was at the microphone. The game was broadcast to fans throughout Wisconsin by WHBY, St. Norbert's college, De Pere, radio station, with Harold T. Shannon and Hal Lansing at the microphone...Cal Hubbard was much in evidence rushing forward passers and holding his own on the defense. On one occasion, both he and Michalske missed Johnny Roach when they tried to stop him 15 yards behind the line of scrimmage and then handed each other verbal "razzberries"...Perry also played a great game at the tackle position and in the first three plays of the game spilled Oshkosh backs twice behind the line of scrimmage...In the closing periods of the game, Oshkosh began using the forward pass game quite extensively so the Packers

Chicago Eleven In Fine
Shape After Three
Weeks of Practice.

used five men back of the line to knock down the passes. Darling was pulled out from the line to the secondary and broke up several of the pass plays...Carl Lidberg, who went out of the game in the final quarter with a wrenched ankle, will not be laid up more than a day or two with the injury, doctors said. The ankle is only slightly sprained and he should be in shape to play again next Sunday against the Cardinals...The field and stands presented an attractive setting for the game. The turf is in the best of shape, while the stands, recently painted, give the field the atmosphere of a college stadium...The spectators were eager to give Oshkosh men a hand when they pulled good plays. In the last half, when Johnny Roach returned a punt more than 30 yards to midfield, eluding several Packers by sidestepping the fans gave him a great hand. They also applauded for Swede Johnson, former Appleton fullback, who played a fine game for the invaders...Eddie Kotal, popular halfback of the 1929 team and now coach of the Lawrence college varsity, was an interested spectator on the sidelines. Eddie was introduced to the crowd by the Vita-Vox system, but he was too modest to take a bow.

CARDINALS PREPARE FOR PACKER GAME

SEPT 16 (Sturgis, MI) - The Chicago Cardinals, who have been here for three weeks, will pack their luggage Thursday and entrain for Green Bay, where they will clash with the Packers, the 1929 national champions in the opening game of the NFL schedule. Three weeks of preseason work here has put Ernie Nevers' squad in fine shape and the Chicagoans are confident of getting off

on the right foot despite the fact Green Bay again has a corking good club...MUCH IMPROVED CLUB: The Cardinals look like a much improved ball club. The great line of last year is practically intact. Strength has been added at one end while two new centers have been imported to fill the gap left vacant by O.J. Larson, who is coaching at De Paul. Last year, Nevers was practically the whole show for the Cardinals offensively but it will be a different story this fall as there are many new backs in the fold, including Howard Maple, an all-American quarter at Oregon in 1928. It was Maple who beat New York singlehandedly in one of the great gridiron upsets in 1928...BOGUE, BELDEN, BOYD: Mickey McDonald, Gene Rose, Cobb Rooney and Bullet Baker are the backfield holdovers from 1929. The new material includes Maple, George Bogue of Standford, Chuck Belden of St. Mary's, Dick Sturtridge, who was with the Bears last season, and Bill Boyd, a speed merchant from Missouri. Chuck Kassel, who has always been a thorn in the side of Green Bay, will again perform at one end while three new aspirants are making a bid for the other wing. Joe Pappio, a big six-footer from the Haskell Indians, George Kenneally, a veteran pro who has played with Pottsville and Boston, and Fred Failing from Georgetown are all trying to make the grade as a running mate to Kassel. The Cardinals' tackle are strong. Duke Slater, a veteran of the postgraduate game, is back. Then there is Jess Tinsley, from Louisiana, who was with the Cards in 1929, and Jake Crawford Williams, another southerner, who has a year of pro ball experience. He is a product of Texas Christian U. Lou Gordon, a three year star at Illinois, is a newcomer in the postgraduate game...TWO VETERAN GUARDS: Walt Kiesling and Herb Blumer, Cardinals' flashy guards of 1929, are back in uniform. Among the new center flankers is Charlie Diehl from the University of Idaho. He was an all-American guard in 1928. Last season Diehl performed with the Olympic club of San Francisco. Buck Weaver, Chicago, is another guard who seems to know what it is all about. Hogue is a guard that has seen a lot of professional football action. Nevers always insists on aggressive centers and, when he lost Larson, he searched all over the country for a pair of pivot men who will fit in his style of play. Mickey Erickson from Northwestern was the first to be signed. He played three years at Evanston and showed so much class that Tom Lowry was never missed. The Cardinals' other center is Randolph, from Indiana, who was all-conference choice in 1928. During the fall of 1929, Randolph was a member of the Portsmouth Spartans and showed lots of class.

PACKERS HAVE WON SIX, LOST FOUR, TIED TWO WITH CARDS

SEPT 17 (Green Bay Press-Gazette) - Since 1921, the Chicago Cardinals and the Green Bay Packers, who meet here Sunday, have been battling in football and of the dozen games played, the Bays emerged victorious in six, lost four and tied two. The first game the Packers ever played in Chicago was against the Cards and it ended in a 3 to 3 tie. Lambeau kicked a field goal in the third quarter but Paddy Driscoll knotted the count with a couple of minutes to go. In 1924, Green Bay invaded the Cardinals' home lot and suffered a 16 to 3 reversal. Charlie Mathys got the Bay field goal as the Horween boys, who played under the name of McMahon, starred for the Cardinals. Arnold Horween is now coaching Harvard. Driscoll kicked a field goal for the Cards in 1924, winning the fracas, 3 to 0. In this

contest, Cub Buck made a half dozen attempts for placekicks but without success. Tillie Voss once ran the ball for the Packers to the Card ten-yard line but the Bays were held tight. The 1925 game, which was played at White Sox park, was enlivened with a battle royal. The Cards won 13 to 6, coming from behind after George Abramson scored two field goals. A weird decision on a forward pass by the officials and Paddy Driscoll's educated toe doomed the Packers. Two games were played in 1926. The Cards came here early in the season and whipped the Packers, 13 to 7, thanks to the brilliant play of Red Dunn, who at that time was sporting a Chicago uniform. The return game in Chicago was won by the Packers, 3 to 0. Sid Purdy starred with a dropkick. This was the first game Green Bay won in the Windy City. In 1927, the Cardinals showed in Green Bay for the early game and met defeat, 13 to 0, but when the Bays invaded Chicago later in the season Chris O'Brien's crew upset the dope bucket by holding the Lambeau-men to a 6-6 no decision fracas. The Packers and Cardinals only met once in 1928 and this resulted in a 20-0 upset for the Chicagoans. Guy Chamberlin was coaching the Cards at this time and fans still remember how he barked at his players to "watch that guy Kotal" during the contest at the City stadium. In 1929, the Packers' National championship, the Cardinals took it on the chin three times but not without a struggle in each combat. In the first game of the series played here, the Packers won 9 to 2. The Bays twice invaded Chicago, winning by 7 to 6 and 13 to 0 scores. Last season's upsets haven't set very well on Nevers' aggregation and the players were threatening vengeance this fall. The first meeting of the teams is scheduled here this Sunday while the Packers play a return engagement with the Cardinals at White Sox park in Chicago Sunday November 16.

PACKER STAR WINS GREEN BAY PRIMARY

SEPT 17 (Green Bay) - Verne C. Lewellen, many time chosen All-American professional halfback and still a star performer with the Green Bay Packers, proved Tuesday that a football player is not without honor in his own country, whatever may be true of prophets. Lew was easily nominated for the office of district attorney on the Republican ticket, when 24 of the 49 precincts in Brown County gave him a lead of 1,000 over Lee Cranston. Lew is seeking his second term in the office. During the two years he served he was selected as All-American halfback, and recognized as the world's greatest punter. In addition to all this his campaign material claimed that there were fewer criminal cases pending in the courts at the opening of the polls than at any time in the past six years.

1929 PENNANT TO BE RAISED HERE SUNDAY

SEPT 18 (Green Bay Press-Gazette) - Packer football fans who usually arrive at the city stadium about 2 p.m. are urged to be on hand 20 minutes before that time Sunday if they want to see the 1929 national championship pennant raised. Rather than set back the starting hour, the Football corporation directors decided to raise the flag to the breeze in a brief ceremony promptly at 1:45. Joe F. Carr, president of the NFL, Mayor John V. Diener, L. H. Joannes, president of the Football corporation, players from both the Packers and Cardinal elevens, a detail of soldiers and sailors, serving as color guards, and the Green Bay Legion band will take part in the ceremonies. It was originally planned to have the Chicago Bears' squad participate as it was figured that they would be here to watch the Packers after playing in Oshkosh Saturday. However, the Bears called off the Oshkosh game and instead will play Brooklyn at Cubs' park. The program as mapped out calls for a parade down the gridiron to the south end of the field where the flag staff towers high in the air. While movie cameras are clicking, President Carr will present the pennant to L.H. Joannes, who in turn will hand the bunting to Dr. W.W. Kelly, who served as president of the Football corporation in 1929. Then there will be a few words of congratulation and appreciation exchanged by the officials. Following this while the Star Spangled Banner is being played, the color guard will loft the American flag to the top of the flag pole and then, while "On, Wisconsin" reechoes through the park, Dr. Kelly will pull the ropes raising the championship banner, which bears the insignia - "National Champions, 1929". All indications point to a large crowd at the flag raising game as a brisk advance ticket sale is reported. According to E.A. Spachmann, who directs the ticket distribution, this year's demand for seats at the Cardinal game is one of the heaviest on record. Mail orders are being filled promptly and in consideration of the last minute purchasers the central ticket office at the Columbus club will be open Sunday morning from 9 a.m. to noon.

ARRIVE SATURDAY NIGHT

SEPT 18 (Chicago) - The Chicago Cardinals' football squad of 30 players, headed by Ernie Nevers and Dr. E.H. Jones, owner, will leave early Saturday for Green Bay, where they are scheduled to play the Packers, national champions, in the opening game of the National league season. Last Sunday, the Cardinals won a 30-0 game from the Sturgis, Mich., club. While in Green Bay, the Cardinal squad will headquarter in the Northland hotel.

League Ceremony.

Halsey Hall Will Referee Packer-Cardinal Grid Tilt

HALSEY HALL WILL REFEREE PACKER-CARDINAL GRID TILT

SEPT 19 (Green Bay Press-Gazette) - Halsey Hall, veteran Minneapolis official and sportswriter, has been selected by President Joe F. Carr of the NFL to referee the game here Sunday between the Chicago Cardinals and Packers at the City stadium. Jim Keefe, Milwaukee, will umpire while A.O. Iverson, former athletic director at Sheboygan high school, is to be the head linesman. All are veteran professional football officials. Fred Tulley, who writes a column in the Providence Bulletin, believes the Packers are in for a tough afternoon Sunday. Here's what he has to say: "It is a bit early for crucial frays in the 1930 professional football season but the game at Green Bay Sunday between the Packers, national champions, and Ernie Nevers' Chicago Cardinals has all the elements of a gridiron 'natural' if there ever was one...CARDS ARE STRONGER: "From what we hear, the Chicago club is stronger than last season as Nevers has added George Kenneally from the Boston Bulldogs, Howard Maple, an all-American quarterback, and a number of other topnotchers. We saw Maple play against New York U at the Polo grounds in 1928 and he was a whirlwind. My records show that Green Bay hasn't lost a league football game since Thanksgiving Day 1928 but I've got a hunch that if Nevers and Maple start clicking right, the Packers may start their chase for the 1930 bunting on the wrong foot." The Packers tapered off an extensive week of practice this morning and, according to Coach Lambeau, his team is ready for the Cardinal invasion. The past few days have seen a big improvement in the national champions' passing attack and it is likely that they will use the overhead game extensively Sunday...TICKETS SELLING FAST: The crowds at the daily practice sessions are increasing as fans are anxious to size up the players and the morale of the club. Every player looks to be in the park. The rush for tickets is picking up. Several places about town have sold out their first batch of tickets and have been furnished another supply. The Packer ticket office in the C.C.C. is doing good business as the mail orders have increased about 50 percent in the past two days. There is still a good supply of reserved seats on hand, however. Much interest is being shown in the pennant raising ceremonies following the announcement of the program, which provides for a gridiron march by the players; several appropriate selections by the band and brief remarks by Mayor John V. Diener, spokesmen for the NFL and Green Bay Football corporation officials.

PACKERS AND CARDINALS BATTLE SUNDAY

SEPT 20 (Green Bay Press-Gazette) - The long, winding road, beset with pitfalls but leading to the NFL championship, will lie ahead of the Green Bay Packers and Chicago Cardinals tomorrow as they start the fight to see who will stay on the main highway and who will take the detour, from which it is hard to regain the main arterial again. It is a grind that continues for 13 long weeks and will test the metal of the Green Bay Football men as no other football campaign has done. Champions in 1929, the Packers are sure to find every team in the National league keying for them and eager to knock them off the path of another title. And the Chicago Cardinals will be no exceptions. Led by Ernie Nevers, who has no equal as a fullback, the Chicago eleven will present one of the strongest teams in the nation. It is a well rounded squad with stars from every section in the nation. Many are veteran professional football players while others are newcomers but certain to make places for themselves in the professional world...BEATEN THREE TIMES: Three time the Cards tasted defeat by that great 1929 team and after every battle, Nevers nearly wept in the dressing room after he had given his all to stem the unmerciful tide. He has not

McCrary, Lidberg, Molenda, f.b.	
	f.b., Nevers

forgotten these setbacks and now with a stronger outfit to help him carry on the fight he thinks he can accomplish what he could not do last year. Fighting with Nevers will be such men as Flenniken, Mickey McDonnell, Howard Maple, a great Pacific coast star, Baker and Singleton in the backfield. On the line, Kassell, always an ominous threat to the Packers, Duke Slater, dean of all tackles, Wally Diehl, Erickson, Kiesling, Blumer, Tinsley, Kenneally and other greats and near greats, who know how to play the professional game. It will be a lineup that will give Green Bay a fight that will long be remembered. But the Packers have a few football men themselves, who can compare with the Cardinals best and have no intention of being stopped by the Card players. They will present their strongest battle front and will have their air attack that carried them to the championship last year, working with old time precision. The overhead game has been stressed in practice this week and as a result the timing has improved and plays are clicking smoothly...START STRONGEST LINEUP: Capt. E.L. Lambeau probably will take no chances but will start his strongest lineup against the invaders. Lining up on the front wall probably will be Dilweg and O'Donnell or Nash at ends, Perry or Sleight at one tackle and Hubbard at the other. Michalske and Bowdoin are the most logical guard starters with Earpe or Darling at center. In the backfield, Lewellen, Dunn, Blood or Englemann and one of three fullbacks, McCrary, Lidberg, or Molenda, are expected to get the call for most of the duty. The game will start promptly at 2 o'clock after the flag raising ceremony, scheduled for 1:45. The NFL 1929 championship banner will be hoisted. Speakers will be Mayor John V. Diener and officials of the Packers and National league.

PACKER OPEN SEASON

SEPT 20 (Green Bay Press-Gazette) - The Packers, Green Bay's pride and job, open the football championship race Sunday with the Chicago Cardinals. Strange as it may seem, this first game may go a long way toward deciding the 1930 national gridiron title, which the Packers so splendidly captured last fall, as the Cardinals are rated as one of the strongest teams in the league. The Green Bay team is facing a crucial year. Never in the history of professional football has a championship club ever repeated. However, the Packers have done the impossible several times during their brilliant career on the postgraduate football field and we have reason to believe that our great eleven will be right up there among the leaders again. The Packer management has all but four of the 1929 players back in uniform and the new material has shown considerable promise to date. We cannot picture any team better than last years' Packer squad, but the 1930 eleven looks equally as good and it will need to be, because every club in the NFL will be on its toes when meeting the champions. The action of the city council last Wednesday night speaks for itself. The citizens of Green Bay were urged to support the Packers as a civic pride and a community asset. Green Bay has never failed to get behind its team and this year with championship laurels to defense, we fell confident that the citizens will rally to greater heights than ever before in backing an organization that has placed Green Bay on the national sport map in capital letters. Community loyalty has done a lot toward putting the Packers high up in the professional football world. It is the old college spirit in a postgraduate form and win, lose or draw Green Bay will always be loyal to its Packers. Here's to success again in 1930.

CAHOON TO ANNOUNCE

SEPT 20 (Baraboo) - Ivan Cahoon, former Baraboo man will turn radio announcer Sunday. Mr. Cahoon formerly was with the Green Bay Packers, and he will announced their game with the Chicago Cardinals on Sunday over station WTMJ. Mr. Cahoon started the season with the Packers last year but an injury to his knee took him out of the game for the season and probably indefinitely. He is now coach at the West De Pere High School.

PACKERS RAISE NATIONAL PRO LEAGUE PENNANT

SEPT 20 (Green Bay) - Ernie Nevers and his Chicago Cardinals lock horns with the Green Bay Packers here Sunday afternoon in the opening game of the National football season. Gridiron hostilities will start promptly at 2 p.m. A 10,000 crowd is looked for. This will be a red letter day in Green Bay's brilliant football history as the 1929 championship bunting will be raised with fitting ceremonies at the City Stadium. Invitations have been extended to league officials and club owners. Joe E. Carr, Columbus, president of the National league, is expected to be on hand to pay tribute to Coach Lambeau's great team of last year which went through the season without defeat. The Packers' first hurdle in the 1930 pennant is plenty tough and some of the pro football experts are predicting that if the Bays take Nevers and Co. into camp, they will be headed for another title winning year. Both clubs got off to a good start in their non-league skirmishes. Green Bay put the skids under Oshkosh 46-0, while the Chicagoans breezed through to a 30-0 victory over the Sturgis, Mich., eleven. These were but both aggregations looked plenty "hot". There is no question but that the Cardinals are an improved machine this season. In 1929, the Chicagoans had a corking good line but Ernie Nevers lacked support in the backfield. However, this gall the big fullback will have assistance galore. Howard Maple, Chuck Belden, Ken Mercer and Bill Boyd are among the new backfielders and every one of these gridders are rated high. The Cardinals' veteran line is practically intact. Slater, Tinsley, Williams, Kiesling, Blumer and Kassel are back in the fold. Kenneally, veteran pro end, has been signed along with Randolph and Erickson, two first class centers. The national champions will be ready for the whistle. Aside from Cully Lidberg, who is having some ankle trouble, every man on the squad is physically O.K. Coach Lambeau may spring a surprise and start several of his youngsters, who burned up the gridiron in the Oshkosh game. A great line duel is forecast as the Packer forwards, Michalske, Hubbard, Bowdoin and Perry may meet their match in the front wall guardians of the Chicago

club. Kiesling, crack Chicago guard, will be playing across the way from Michalske and there should be fur flying for yards around. The Green Bay management is all set to handle a bumper throng and fans from all parts of Wisconsin and upper Michigan are expected to be in hand for the gridiron classic.

A Statement to Friends and Acquaintances

A confusion as to names in the present campaign has led many people to believe that I am a candidate for the office of District Attorney.

While, two years ago, I was a candidate for that office and received the support of many friends and acquaintances, I am not at the present time seeking election.

However, my Law Partner, Mr. Verne C. Lewellen, is a candidate for re-election to the office of District Attorney and I respectfully request that those friends and acquaintances who voted for me two years ago now give their support to Mr. Lewellen.

Signed,
FRANK P. CORNELISEN.

Prepared, authorized and paid for \$14.70 by Frank P. Cornelisen of Green Bay, Wis.

NEW HEIGHTS

the Platten Radio Co. presents . . .

ATWATER KENT RADIO

with the GOLDEN VOICE

AS USUAL . . .

LEWELLEN

For District Attorney

A Statement to the Voters of Brown County

I respectfully solicit your vote at the Primaries tomorrow in my effort to secure re-nomination to the office of District Attorney.

Throughout this campaign I have carefully avoided personalities, firmly believing that they have no place in this or in any other effort to secure Public Office. My opponent in the Primaries is apparently not of the same opinion and has been spending his money through the medium of advertisements in an appeal to the Voters of the County by the employment of these Unfair Tactics. Among other untruthful and wild statements, he makes the claim that not having boasted of it, I have impliedly admitted that I have made no record in Public Office on which to base my request for re-election. He makes the further untruthful statement, or at least inference, that the work in the office of the District Attorney during my term has been neglected and pretends to sneer at what he calls "Hero Worship."—An obvious attempt to belittle the fact that I have for seven years been a member of the Packer Football Team.

Let me say to my opponent that not only am I not ashamed, but am proud to have been permitted to aid in this way in making the name of Green Bay known throughout the United States. This I regard as a proper Civic Activity and for which I have no apologies to make. Furthermore, I have been able to do this without in any way impairing the efficiency and effectiveness of my office.

Now, as to the record. Let me further say to Mr. Cranston and his Advisors,—that the records will show that never in the past eight years has the work in the office of the District Attorney been so efficiently and successfully handled as it has in the past two years. There has never been a time in that entire period when there were less criminal cases pending in the Courts than now, and the record of convictions of major crimes during my term has been 100%.

In conclusion let me add that my opponent is entirely mistaken,—IT IS upon my record as District Attorney that I am seeking re-election and this fact has been repeatedly stated by me in my personal appeals to various groups of voters. I faithfully promise, with the continued aid of my able associates, a continuance of that Honest, Fearless and Courteous Administration should you do me the honor to re-nominate me tomorrow.

Respectfully,

VERNE C. LEWELLEN.

Anyone who wishes transportation to the polls, or who has not registered and wishes to do so, may call Adams 631, or come to Suite 204, City Center Building.

ARNOLD HERBER

PLAY BY PLAY

First Quarter

Draft kicked off to Dave Zuidmulder who returned 28 yards, catching the ball on the goal line. Herber made 13 yards around left end. Englemann lost 2 yards at right tackle. On a cut back Zuidmulder picked up 9 yards at right tackle. Herber held for no gain, there being an apparent mix up in signals. Herber punted to O'Keefe who was downed in his tracks on the 19 yard line. Oshkosh took time out. When play was resumed Johnson lost 1 yard at left end. Curtis cut back over the middle of the line for 16 yards. On the next play Johnson plunged for 4 yards but as the Packers were off side they were penalized 5 yards giving Oshkosh a first down. On a fumble pass play Nason was thrown for 13 yard loss. Curtis lost 7 on an attempted left end run. Johnson punted to Herber who returned 8 yards to Packers 47 yard line. Englemann made 4 yards at right tackle. Zuidmulder lost 2 yards at right end. Englemann made 3 yards at right tackle. Hall went in for Gruniz of Oshkosh. Herber punted and the ball was downed by a Packer man on Oshkosh's 11 yard line. O'Keefe made no gain on a left end run. Johnson plunged for 5 yards over Packer midline. Molenda went in for Lidberg who hurt his leg on the play. Johnson punted and Herber hugged the ball back 15 yards to Oshkosh's 45 yard line. On the first play Englemann ran around right end for 26 yards with good interference. Zuidmulder plunged over guard for 4 yards but Oshkosh drew a 5 yard penalty for being offside. Molenda made a first down with a 6 yard plunge over center. Molenda added 2 more at right guard and Zuidmulder followed with 3 yards in same place. Englemann made 1 1/2 yards at right tackle putting ball 1 yard from goal where Bo. Molenda carried it over on the next play. Woodin missed the try for extra point when his place kick went wild. Woodin kicked off to Curtis who returned 5 to the 21 yard line. Nason lost 3 on left end run and then followed with a 4 yard gain over the middle of the line. Curtis made 4 yard at right tackle and Johnson got off a 45 yard punt the ball rolling dead. Herber made 3 yards at right end as the quarter ended.

Second Quarter

Several substitutes went in to game for Oshkosh at the start of the quarter. On first play Herber tossed a pretty pass over the middle of the line for a gain of 20 yards. Englemann catching the pass and putting it on the Oshkosh 45 yard line. The Packers at this juncture changed their entire team. On the first play Lewellen dashed 12 yards on a cutback over left tackle. Lew passed to Nash who ran 15 yards before being forced out of bounds on the 3 yard line. Fitzgibbons made 6 yards at right tackle. On a spinner McCrary made a touchdown and Bloodgood failed to add the extra point as his drop kick was blocked. Draft kicked off to Lewellen who returned to Packer 43 yard line. Britton replaced Johnson for Oshkosh. McCrary made 2 yards on line plunge. Lew tried a pass to Fitzgibbons which was incomplete, on another attempted pass play Lew was thrown for 15 yards loss before he could get rid of ball. Lewellen punted and Roach returned 10 yards to his own 28 yard mark. Klemz made no gain at center. Roach made 3 yards at left tackle. Klemz punted to Bloodgood who returned 15 to mid field. Lew made 10 yards at left tackle. Fitzgibbons made 4 yards on cutback at right tackle. McCrary fumbled but Hubbard recovered on Oshkosh's 29 yard line for a first down. Lewellen made 3 yards at right tackle. Bloodgood tried pass to Fitzgibbons which went wild. Lew made 5 yards but the Packers got a 5 yard penalty for offside. Lew tried a pass which was incomplete and the Packers drew a penalty for second incomplete pass. Packers tried another pass from Lew to Dilweg which was not complete. The ball went to Oshkosh and after some discussion the Packers were also penalized 5 yards for the additional incomplete pass. Britton failed to gain at center. Martin tried a pass which Dilweg intercepted on Packer 45 yard line. Lew on cut back made 7 yards at right tackle. Lew tried pass to Fitzgibbons which was incomplete. On summer McCrary failed to gain. Lewellen punted and Bowdoin downed the ball on the 9 yard line. Roach made 1 yard at left tackle. McCrary hurt on time out with 2 1/2 minutes left to go. Martin made 4 yards at right end. Britton made 1 yard at right guard, but Oshkosh suffered a 15 yard penalty for holding. Martin got off a poor punt but on the play the Packers took a 5 yard penalty for being offside. Martin punted to Bloodgood who returned 5 to Oshkosh 40 yard line. Fitz made no gain at right end and then he tried a pass to Lewellen which was incomplete. An incomplete pass from Lewellen to Fitzgibbons brought a 5 yard penalty to the Packers. An attempted pass from Bloodgood to Lew met the same fate. Oshkosh completed a pass from Martin to Klemz as the first half ended the play giving them a 15 yard gain.

Third Quarter

Klemz kicked off to Herber who ran it back about 20 yards to the 29 yard line. Englemann made 5 yards at right tackle. Blood celebrated his first attempt to carry the ball with a 20 yard dash around right end. Englemann carried the ball out of bounds for a 1 yard gain. Herber passed to Blood who ran 10 yards to the 28 yard line. Englemann made a yard at right tackle. Molenda failed to gain at center. Herber passed to Blood and the ball was downed on the Oshkosh 8 yard line. Blood made three yards at left tackle. Molenda made 2 yards at center and then crashed over right tackle for a touchdown. Herber dropped kicked for the extra point. Klemz kicked off and it was a very feeble attempt Zuver getting the ball on the Packer 45 yard line. Engleman made 3 yards at right tackle. Pass Blood to Englemann was incomplete. Blood raced around left end for 35 yards going out of bounds on the 14 yard line. Englemann made 9 yards at right tackle. Molenda made 4 yards at right guard. Englemann went over the center of the line for a touchdown. Herber was rushed on his try for extra point and the kick went wild. Woodin kicked off to Nason who returned 15 before Radick downed him. Nason no gain at right tackle. Martin got off a beautiful kick and ball going out of bounds on the Packer 20 yard line after traveling about 60 yards. Blood lost 2 yards at left end and then made 8 on cut back play. Pass Blood to Herber incomplete. Blood punted to Martin who was downed on 44 yard line. On a double pass play Michalske broke through and spilled Nason for 10 yard loss. Brennan made no gain. Martin punted and the ball went out on Packer 22 yard line. Herber made 5 yards at right end and Englemann made 1 on a line buck. Fitzgibbons went in for Englemann and several other substitutions were made by the Packers. Fitzgibbons made 3 yards at right tackle. Blood punted and Martin was downed by Radick after a 5 yard return. Draft pass was incomplete. Nason no gain at right tackle. Martin punted 45 yards to Herber who returned 10 yards. Fitzgibbons ran right end for 13 yards with good interference. Blood passed to Fitzgibbons for a 12 yard gain. Molenda made 6 yards at center and Blood went around right end for 26 yards. Molenda made 3 at right tackle as quarter ended.

Fourth Quarter

Fitzgibbons crashed through right tackle for 3 yards. Blood cracked the center of the Oshkosh line for 7 yards and a first down on the 4-yard line. Molenda picked up two yards. Lewellen replaced Fitzgibbons at left-half for the Packers. Lewellen added a yard at right tackle and on the next play he slipped through the same spot for a touchdown. Dunn place kicked the extra point. Woodin kicked off to Martin and he was dropped by Ken Radick after a 15-yard return. Bowdoin replaced Woodin. Roach failed to gain at right tackle. A pass by Martin was incomplete. Another pass was knocked down by Radick and Oshkosh was given the customary 5-yard penalty. Johnson punted 48 yards and Dunn was downed in his tracks. Blood added a yard on a run around right end. Lewellen failed to gain at right tackle. A pass from Lewellen to Blood was incomplete.
